Yaralla Cup

Dame Edith Walker's name is well-known to generations of GPS oarsmen. Her large house (now a small hospital) at the end of Yaralla Bay marks the start of the old GPS mile-and-a-half course on the Parramatta River. In 1906, Dame Edith presented the handsome Yaralla Cup to the AAGPS for competition in the second crews (in those days, the 2nd IV). After the introduction of Vllls it became the much-prized trophy for the 1st IV event.

The King's School 1st V111, 2022 Winners of the Major Rennie Trophy

Major Rennie Trophy

Major Zenus C. Rennie was an American Civil War veteran who fought for the Union at Baton Rouge in 1862. He arrived in Australia to work for the Mutual Life Insurance Company of New York. In June 1893, Major Rennie's offer of a silver trophy was accepted by the AAGPS as a perpetual trophy for the major event of the Regatta.

From 1893 until 1935, the Regatta was held on the Parramatta River; from 1936 until 1996 on the Nepean River; and since 1996 at the Olympic Course. From 1893 until 1909 the race was contested by four-oared boats, and by eight-oared boats since then. Since 1996 the race has been contested over 2000 metres; all previous events were over a mile and a half, except in 1946 and 1947 when the races were over a mile and a quarter*.

THE ANNUAL REGATTA.

"WHAT a race! And what a finish." This is how the *Sydney Morning Herald* described the struggle for supremacy on May 5th, when the "final" of the Great Public Schools' Championship Eights was won by "Grammar" by half a length from Newington College, St. Joseph's College filling the third place. It would be false modesty to withhold praise from our crew who so worthily upheld the honour of their Alma Mater, but this does not prevent us from recognising the splendid efforts of Newington and St. Joseph's. There was little to choose between the three leading crews and all the critics agreed that no keener race was ever fought out on the old Parramatta.

Too much praise cannot be given to Mr. G. McKenzie the coach of the "Eights" for his skill and patience in licking his crew into winning form.

In the first "Fours" we were eliminated in the preliminary heats and in the Second "Fours" our representatives had to be content with fourth place.

We heartily congratulate "Shore" on winning the first and St. Joseph's the second "Fours". Our ships rowed pluckily, but were not good enough to win. The third "Fours" put in a good race, but here again "Shore" were too good for us.

In closing these notes we wish to acknowledge the services of Shaw, Cooper and Cutler, as launch drivers, and Coppleson and Manning, as trainers. Coppleson stayed with us during the last stages, and, although he may not be at his best at Matha, he certainly can make oozes. After the heats we were invited to a picnic to Collaroy by Mr. Ludowicki, and at a meeting held at Mr. Ludowicki's cottage, Bull 1 was elected Captain and Caswell Vice-Captain of the Boat Club for next year. Congratulations.

The following is the list of the crews:—

Welcome from the Chairman

As Chairman of the AAGPS, I warmly welcome Competitors, Officials, Headmasters, Staff, and parents/carers to the AAGPS 126th Head of the River Regatta, to be held at the Sydney International Regatta Centre.

I am so grateful that this year's event can return with a sense of 'normality', with spectators and supporters able to enjoy the racing action without the restrictions imposed on all by the recent Covid-19 pandemic.

The 2020 regatta was truly unprecedented, with the race date moved at the very last minute just prior to Sydney going into lockdown, and only the rowers and restricted coaching/school staff and racing officials able to access the centre. Moving to 2021, the crowds were strictly controlled, with spectators and limited numbers of students all accounted for through ticketed wristbands, a somewhat diminished but still very enthusiastic crowd.

2022 saw extreme weather and flooding, and the event had to relocate to the Parramatta

River for the first time since 1935, and once again no provision for spectators or the traditions of the cheering and chanting school supporters.

So it is with great pleasure that we return to SIRC and can enjoy the wonderful facilities of this world-class venue, packed with enthusiastic students, staff and families. For those unable to be here in person, we invite you to join us through the live streaming service provided by Cluch TV.

I wish all schools the very best for a fair regatta, and that all attending, either in person or via a screen, enjoy the wonderfully unique spectacle that is the AAGPS Head of the River Regatta: a fitting finale to schoolboy rowing in 2023.
