

# AAGPS RIFLE SHOOTING PREMIERSHIP

The Firsts Team Premiership is decided on the results of three matches, namely:

1. The Rawson Cup,
2. The N.R.A. Shield and,
3. The Buchanan Shield.

Points are awarded on an 8, 5, 3, 2, 1 basis to the place getters in those matches and the aggregate of those premiership points decide the premiership placings. Teams finishing with equal points in the premiership are equal.

The Seconds Premiership is decided on the basis of a single match over two ranges. The aggregate of the scores decides the winner.
